MAP DRAFT OPTION F- 3

Gayla Kraetsch Hartsough explained that there are 348 Countywide Statistical Areas (CSAs) that consist of the 88 cities, 121 unincorporated areas, and further delineation of the City of Los Angeles into 139 communities. She then shared two tables that listed the differences between the two maps. All other CSAs were assigned to the same supervisorial district in both Map B-4 and Map F-4.

Public Comments

Public comment – see recordings on “VIDEO FILE FOR ENTIRE MEETING POSTED” at the start of the minutes:
All individuals who signed up to make public comment had the opportunity to make public comments.

1. Stuart Waldman (Caller 4201) – would like more people from the northern portion of SFV: the Granada Hills NC south and minor clean ups so NCs are whole
2. Stephanie Lemus, Clinica Romero – serves more than 11,000 patients; wanted to keep MacArthur Park together with Echo Park and communities; prefers Map F-3
3. Ron Vander Molen, Pomona resident – Wanted Pomona to be kept whole, including the Fairplex and in SD 1
4. Ernesto J. Pantoja – local construction union; does not want Pico Union, MacArthur Park, Echo Park area split up; likes Map F-3
5. Pogo S – Look at Map 100 as a modification, which addresses issues raised
6. E. Jeanette Ellis Royston, President, NAACP – wanted to leave Pomona as one community; do not split it
7. Lina Mira, North Pomona resident – wanted Pomona as one city; do not split
8. Carol Crosby, Whittier Area Chamber of Commerce – supported Map F-3, which keeps Gateway cities together; Map B-4 splits Santa Fe Springs and wanted the Commission to try to keep it together
9. Allegra Padilla, Levitt Pavilion Los Angeles in the MacArthur Park area, serving music lovers – prefers Map F-4 to keep the arts together
10. Juanita Trujillo, Santa Fe Springs council member – liked Map F-4 to keep Gateway Cities together (e.g., Santa Fe Springs, Bell, Bell Gardens, Whittier, etc. – from Whittier to Long Beach); would help to lobby for MTA projects and other initiatives
11. Henry Fung – both maps are good (maybe not outstanding); asked not to expand the number of maps being considered; do not one person to derail the Commission’s mission
12. Caren Spilsbury, Gateway Chamber of Commerce – the cities work together; do not split; likes Map F-3

LOS ANGELES COUNTY REDISTRICTING 2021

13. John Mora, Mayor, City of Santa Fe Springs – preferred Map F-3 so Gateway Cities are together; Santa Fe Springs shares many services with Whittier
14. Yelena Zeltser (SEACA) – SEACA serves Southeast Asians as their stakeholders; liked Map F-3; Map B-4 separates Chinatown from nearby communities with historic interests; Solano Canyon and Lincoln Heights, which she did not like
15. Paula Devine, Mayor, City of Glendale – keep Glendale whole; advocated for the Tri-Cities of Glendale, Burbank, and Pasadena in SD 5 because of their many joint ventures (e.g., airport)
16. Dr. Gary Gonzales, South Whittier School District
17. Jessica Panduro – referenced Map 101, which modified Map F-3; keeps SFV whole; unites the entertainment industry; addresses Skid Row
18. Lisa Dabbs, Vice President, East Whittier City School District – supported Map F-3, which keeps Gateway Cities together

20. Ernest Lee, Chinese Consolidated Benevolent Association (LA Chinatown) – Monterey Park resident; supported Map F-3
21. Irene Muro, Executive Director, Whittier Area First Day Coalition – Whittier resident; keep the Gateway Cities together from Whittier to Long Beach; they work together on air quality, transportation, etc.; prefers Map F-3
22. Eric Dunlap – wanted to keep unincorporated areas with their current supervisors; unincorporated areas rely on their supervisors since they do not have Mayors; Rowland Heights, Florence-Firestone, and others would have new supervisors with the map options
23. Rosa Soto – Whittier resident; removed La Habra from SD 1, which is different from Hacienda Heights; put La Habra back in SD 4 with its population of only 5,000 residents
24. Jose Miguel Ruiz, Executive Director, Cultiva LA – spoke on food security and his food garden; supported Map F-3 for Echo Park and surrounding areas
25. Anna Parra – Whittier resident and does community engagement in SD 1; La Habra Heights should be in SD 4 and not with Rowland Heights and Hacienda Heights; supported Map F-3
26. Annette Rodriguez, Santa Fe Springs (SFS) Mayor Pro Tem – supported Map F-3 to keep the Gateway Cities together
27. Chris Rowe – Map B-4 cuts West Hills from the SFV; keep Chatsworth, Granada Hills, etc. in SFV; remove Beverly Hills and others on the other side of the mountain from SD 3 so SFV can be whole
28. Sissy Trinh, SEACA – supported Map F-3 because similar AAPI communities (Chinatown, Solana Canyon (near Dodger Stadium), Lincoln Heights) kept together with similar shared interests
29. Lawrence – La Habra Heights was removed from SD 1 in Map F-3; wanted it back in SD 4; it is also part of the Gateway COG

LOS ANGELES COUNTY REDISTRICTING 2021

30. Milo Kirsch – spoke on Pasadena’s importance with the Hollywood-Burbank Airport
31. Maria Brenes, InnerCity Struggle and People’s Bloc – have reviewed both maps; submitted modifications to Map F-3 to strengthen it to unite SFV, Asian COIs in SD 1, and amplify Latino CVAP in SD 4 and SD 1
32. Mary – SD 5 resident; community is divided in the foothill equestrian areas; wanted to be in SD 5, not SD 3; supported Map F-3
33. Kathie Fink, CEO, Santa Fe Springs Chamber of Commerce – liked Map F-3, which keeps the Gateway Cities together
34. John Mendoza – North Pomona resident near the Fairplex; include North Pomona in the maps
35. Bob Frutos, Mayor of the City of Burbank – Do not divide Glendale, Burbank and Pasadena because of their joint services

Commissioner Discussion

Priti Mathur, ARCBridge, indicated that a total of 101 maps are submitted to date. She provided an overview of the maps submitted after the Commissioners’ elevation of Map B-4 and Map F-3 at the December 8, 2021, regular meeting. (Note: These maps are displayed on the LA County CRC website/hub.)

Commissioners’ discussions – see recordings on “VIDEO FILE FOR ENTIRE MEETING POSTED” at the start of the minutes: The Commissioners did a round robin discussion of the maps and public input. Highlights of their comments are:

Co-Chair Carolyn Williams	Commented that many of the public comments are addressed in Map F-3; wants to look at moving La Habra from SD 1 to SD 4. Preferred the shape of S2 in Map B-4.	F-3
Commissioner Doreena Wong	Support for keeping Gateway Cities, SFV, and Pomona together, which Map F-3 does with refinements. Would like to look at Commissioner Saira Soto’s latest map submission	F-3
Commissioner Jean Franklin	Had no preference for either map; both can work. Had specific questions and asked for verification on the maps. Both maps keep Pomona whole and keep Burbank with Glendale. She asked about NBC Universal Studios. Would like the percent of SFV kept whole. Wanted to see the maps of the Gateway Cities. Map F-3 keeps the Gateway Cities together, but Map B-4 does not.	None at this point
Commissioner David Holtzman	Had Thai V. Le share Map OP 098 to look at Burbank and Glendale. As a Burbank resident, did not see services firsthand that are shared across the Tri-Cities. Had no problem in dividing the Gateway Cities.	Map OP 098

LOS ANGELES COUNTY REDISTRICTING 2021

	Glendale and Burbank together are bigger than Pasadena. Wanted to consider the media and entertainment industry's link to the SFV commerce.	
Commissioner Mary Kenney	Focused on DTLA. Saw that DTLA was included in B-4 it was in one SD 2 and in F-3 in SD 1. B-4 keeps historic Chinatown, Little Tokyo, and Korean Town in one SD. Wanted to preserve the LAX asset with SD 2. Tried to add more of northern part of Gateway Cities to SD 4.	Map OP 096
Co-Chair Daniel Mayeda	Was pleased that VICA is okay with both maps. Map F-3 was better at addressing historic AAPI communities, Gateway Cities (which is enormous). Was concerned about SD 2's connection to the beach communities. Likes Map OP 101 with some ingenious changes; keeps historic AAPI communities together; creates an entertainment district by uniting Universal City with SD 5.	Map F-3 and consider Map OP 101
Commissioner Mark Mendoza	Cautioned about elevating more maps. Asked about the impact of Map OP 101 on the SGV foothills. Wanted to do some tweaking to the maps. Cautioned against many changes about the last public comments made. Raised concerns about the Whittier communities being split.	Neutral about Maps B-4 and F-3
Commissioner Apolonio Morales	Observed a coalescing of the two maps. Wanted to keep the Gateway Cities together. Some refinements are needed (e.g., Dodger Stadium). The People's Bloc Map OP 101 is based on Map F-3.	Map F-3
Commissioner Nelson Obregon	May need to tweak some areas, such as North Whittier; wanted to keep Pasadena/Glendale together with the SGV foothills in SD 5. The Gateway Cities have common interests. Greater Chinatown area (Lincoln Heights and Solana) wants them kept together with SGV as is done in Map F-3.	Map F-3
Commissioner Priscilla Orpinela-Segura	Commerce not included with SELA community and should be, not SD 1. Believed all of her other comments were captured by other Commissioners.	Map F-3
Commissioner Hailes Soto	Would like to consider some of the changes in the People's Bloc Map OP 101. Wanted to consider moving La Habra Heights to SD 4. Some other communities moved could balance the population. Only a few cities were not included in the large Gateway Cities area (e.g.,	Map F-3

LOS ANGELES COUNTY REDISTRICTING 2021

	Montebello, Compton, Pico Rivera). SD 2 looks compact. SD 3 encompassed SFV but wanted to look at the West Hills to include it in SFV.	
Commissioner Saira Soto	Believed it addressed many of the historic communities in keeping them whole. It is hard to add populations to one SD because of impact on other SDs. Map F-3 keeps communities with greatest socio-economic impact together. Recognized the work done to date to keep wildlife preserved in coastal areas.	Map F-3
Commissioner Brian Stecher	Reported by Co-Chair Mayeda: Commissioner Stecher had prepared a modification of Map F-3. Tried to reduce the number of beach communities in SD 2, but it removed many Gateway cities out of SD 4. Wanted to maintain the historical African American core communities in SD 2. SD 2 has a larger Latino population under Map B-4. Viewed the beach communities as more closely connected to the South Bay.	Map OP 095
Commissioner John Vento	Liked Map F-3 with modifications and reviewing Map OP 101. Liked the idea of an entertainment COI together. Recognized that there are many cities in SD 2.	Map F-3
Commissioner Doreena Wong	Clarified that the historic AAPI communities wanted to limit the number of SDs they were assigned to. Historic Chinatown and Little Tokyo want to be closer to Monterey Park in SD 1.

This Agenda Item was skipped until there is further clarification on the Final Map.

6c. Review of form resolutions for map adoption and final report (informational only – no action) – Holly Whatley, Independent Legal Counsel -- Continued

Holly Whatley described two drafted resolutions, included in the materials for today's meeting, that address adoption of the Redistricting Plan and Final Report, respectively. She displayed and described suggested

LOS ANGELES COUNTY REDISTRICTING 2021

changes to the drafts. She indicated that the text makes it clear that the GIS shapefile data will document the underlying the map.

The Commissioners asked questions of clarification, which Holly Whatley responded to. There was greater clarity about what is a parcel (property ownership). Issues surrounding a parcel that is divided between supervisorial districts were discussed. Commissioner Hailes Soto pointed out that such parcels have a minor impact on supervisorial districts if adjustments are needed.

Commissioner Saira Soto asked, and Holly Whatley agreed, to include language in the resolution that the Registrar-Recorder (RRCC) should file a report of any and all changes made and share that report with the Commissioners.

Public Comments

None.

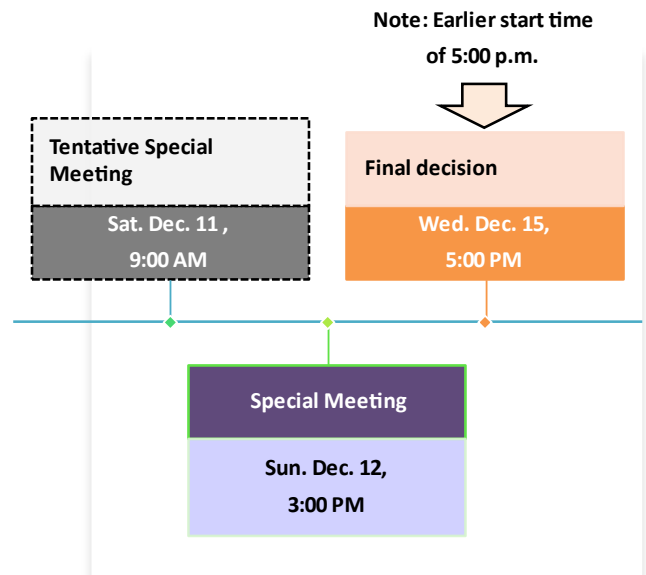

Co-Chair Mayeda pointed out to the Commissioners that they can provide suggested changes/edits directly to Holly Whatley.
